

ECKAN Community Garden Application

2019 Gardener Rules, Terms, and Guidelines

The following guidelines have been established for this garden:

1. All gardeners are required to complete and submit a Community Garden Application.
2. Garden plots will be assigned first come first serve, one plot per family.
3. As this is a community service project, 25% of each gardener's yield will be donated to local food pantries (ECKAN or Hope House).
4. Start date for planting for the 2019 growing season will be April 1st.
5. Nothing grown in the community garden is to be sold.
6. Plant tall plants and vines in places where they will not interfere with your neighbor's plot. Planting illegal plants is prohibited.
7. Herbicides and Pesticides are NOT allowed in the garden.
8. Smoking and chewing tobacco are not allowed in the garden area. Tobacco can transmit a lethal virus to tomatoes and cigarette butts are filled with toxins.
9. Pets, alcohol, drugs, radios, boom boxes, fireworks, weapons, and fires are not allowed in the garden.
10. Garden meetings and work parties may be scheduled. Attendance is encouraged as this is an opportunity to get to know your fellow gardeners and assist with garden upkeep and special projects.
11. Keep your plot, adjoining pathways, and surrounding area tended. This includes weeding, trash removal, and harvesting of your plot.
12. Put weeds and dead plants into the compost bins provided. Do not leave them in the pathway. Any diseased plants or seedy or invasive weeds are to be put in the trash so as not to contaminate the compost or gardens.
13. Do not pick anything or take plants from another person's plot without their permission. Do not take anything from the garden that does not belong to you.
14. Water for your garden plot will be provided by the City of Ottawa. Please do not leave the water on unattended. When finished watering for the day, please roll up the hose at the garden hydrant and turn off the hydrant.
15. At the end of the gardening season, all dead plants and non-plant materials (string, wire, wood, metal, plastic, etc.) must be removed and disposed of properly and all gardens left neat and tidy. If your garden is not cleaned up by October 1st, you could lose your gardening privileges for the next season.
16. For your safety, only garden during daylight hours.
17. Please supervise children in the garden.
18. Report theft, vandalism and unusual activity to a garden leader.
19. Respect other gardeners and use common courtesy.
20. Call a garden leader if you need help or will be out of town for extended period of time. If you plan to discontinue use of your space, please let a garden leader know as soon as possible so that your plot may be assigned to another gardener.
